

Availity Payer ID Updated

We are updating Truli for Health's Payer ID in the provider portal in Availity^{®1} at [availity.com](https://www.availity.com)

Payer ID

Previously, when you or your staff completed requests in Availity, you selected TRULI HEALTH as the payer. We have updated the payer ID, and you will now select **TRULI FOR HEALTH** when submitting notifications or referrals for Truli patients.

This is a screenshot with the updated payer ID:

A screenshot of the Availity provider portal interface. The breadcrumb trail at the top reads "Home > Authorizations & Referrals > Authorization/Referral Inquiry". The main heading is "Authorization/Referral Inquiry" with a red information icon to its left. To the right of the heading are three buttons: "Give Feedback", "Go to Dashboard", and "New Request" with a plus icon. Below the heading is a form titled "SELECT A PAYER" with three dropdown menus: "Organization" (selected: Florida Blue), "Payer" (selected: TRULI FOR HEALTH, with a small 'x' icon to its right), and "Request Type" (selected: Select Authorization Type).
